FORMAL DEMAND FOR IMMEDIATE REVERSAL OF VEHICLE DISPOSAL ORDER

Ford Territory Registration S797CDP

Dear Phillip / Customer Resolution Coordinator,

I hereby issue a formal legal demand for the immediate suspension and reversal of the NSW Trustee & Guardian's decision of 11 November 2025 to "dispose of" my Ford Territory (S797CDP).

This vehicle is my only shelter, my sole means of mobility, and an essential component of my disability and medical support.

Your decision has placed me in grave and immediate danger.

I. Background and Compounding Institutional Misconduct

1. The police and hospital unlawfully seized my vehicle, then discharged me onto the street without housing or treatment, fully aware this would render me homeless and unable to reach my therapy dog.
2. The NDIS, Public Guardian, and hospital administration have all been formally notified of my situation and have refused to act.
3. These actions fit a broader, documented pattern of malicious state-enabled harm described in the forensic report "The Impossible Burden of Truth — A Forensic Outline of Systemic Persecution and the Cost of Survival."
   Full document: https://drive.google.com/file/d/137u1gkrbLKxtYegMhUPTS4LXjJLZoGfO/view?usp=drivesdk
4. The police have acted corruptly in collaboration with NDIS and guardianship officials, who are aware that their conduct amounts to malicious erasure and constructive elimination under colour of law.

II. Legal and Human Rights Grounds for Immediate Reversal

1. Breach of Fiduciary Duty (NSW Trustee & Guardian Act 2009) — You must act in the client's best interests; removing my only shelter and mobility is a clear breach.
2. Disability Discrimination Act 1992 (Cth) — Withholding an essential mobility aid and shelter constitutes direct discrimination under sections 24 and 29.
3. UN Convention on the Rights of Persons with Disabilities (CRPD) — Violations of Articles 12 (Equal recognition before the law), 19 (Independent living), and 25 (Health).
4. Procedural Unfairness — No hearing was offered, no notice was adequate, and no advocate was present.
5. Humanitarian and Moral Negligence — Your decision follows coordinated inaction by police, hospital and NDIS officials who are aware this would leave me destitute. This constitutes malicious harm and intentional psychological torture.

III. Demands

1. Immediate stay of any disposal or transfer of title for vehicle S797CDP.
2. Return of the vehicle within 72 hours, or provision of a comparable vehicle for shelter and medical mobility.
3. Written confirmation that the asset will not be disposed of pending independent review.
4. Referral to the NSW Ombudsman and notification to the UN Special Rapporteur for oversight and protection.

IV. Notice of Further Action

If this decision proceeds, it will constitute gross negligence and participation in documented human-rights abuses. The matter is already referenced in my International Criminal Court and UNHRC filings.

I will pursue criminal and civil liability for each individual and institution involved.

Please confirm by email within 48 hours that the disposal order is suspended pending urgent review.

Sincerely,

Dr Richard William McLean (Barran Dodger)

NSW Trustee and Guardian

11/11/2025

Mr Barran Dodger

Customer reference: 658238

Dear Mr Dodger

About Disposal of Ford Territory Registration S797CDP

To help provide you with enough money to cover budgeted expenses, we recently decided to dispose of the Ford Territory which you have obtained.

A range of things are carefully considered before a decision is made. This can include personal wishes, expert advice, and legal needs.

After exploring all available options, it was decided that the vehicle will be disposed of on your behalf by NSWTG.

This will apply from 11/11/25.

The reasons for this decision are:

1. You have not provided NSWTG with the requested evidence on how you obtained this vehicle and the insurance you may hold on it.
2. You hold significantly limited funding in your NSWTG Trust account, this funding leaves it unaffordable to sustain ongoing expenses for the vehicle.

If you disagree

If you feel that this decision is not in your best financial interests, you can appeal by letting us know why you disagree by 9th December 2025.

To do this, please either:

- email: tagmail@tag.nsw.gov.au
- write: to Customer Resolution Coordinator, NSW Trustee & Guardian Locked Bag 5115, Parramatta NSW 2124.

See the Review of Decision fact sheet attached. for more information about appealing decisions.
